This four day two hour program of creative fun will include hand-building in clay as well as "pouring" and casting a ceramic shape. We will then choose 3-4 more pottery painting projects that are functional as well as fun. Painting techniques traditional and unique will be taught. Each child will paint their own celebratory piece for their family. It may be a holiday platter or a more generic piece.

The last ten minutes of each session we will have a small snack with a drink.

If your child can not attend all 4 sessions, a daily charge will be \$40.00. Pottery will be ready for the kids 10 days after camp.
